Pineywoods has a reputation for being a great environment for spiritual growth. You will be involved in daily devotionals, Bible studies, etc. A good attitude is all important! Because the hours are long and the work is often hard, it is important to remember that we are servants during each camp. If you cannot put out 100% effort every day, this is not a job for you. If you desire to give the job your total commitment and do so, you will be richly blessed by the Lord as you endure the summer.

You will be contacted for an opportunity for an interview and to volunteer a weekend if your application is considered. We have a very limited number of staff positions open each summer.

Thank you, and may the Lord always be number one in your life!
